Important End of Year Info

The end of the school year is quickly approaching and we wanted to let you know what will be taking place here at Calvary Murrieta Christian Preschool. The last day of preschool is Friday, June 1st. If your child is enrolled in our summer program, that will begin on June 11th. Check with your child's teacher for end-of-year classroom activities they might have planned.

Preschool Graduation

Some of you may be wondering if we will be having a preschool graduation ceremony. We save that experience for our Kindergarten students. However, we will be having an end-of-year program. We are very excited about this event that will take place on Friday, May 25th at 4:30pm. The children have been practicing every day to get ready. We know you will be blessed! We will also be having a family picnic after the program. We will be serving hot dogs, chips, cookies and a drink... all for FREE! In addition, your child will receive a certificate of completion for the school year. Their assessment will also be sent home along with their portfolio as a keepsake of their growth & development at preschool this year. You will also receive a yearbook that features the preschool and elementary school students.

We want to thank you for partnering with us and allowing us to serve your child and family this year through our early education program. It has been an honor and blessing for us and we pray you've been blessed, too.

A Note from the Director,

I can't believe the end of our school year is here! It has flown by and we've had some great times along the way. The children have learned so much over the last 10 months. They've made new friends, learned about God and memorized ten scripture verses, learned their ABCs and 123s, played with iPads, and even taught us grown ups a few things! Most of all, they've learned that we love them and Jesus loves them even more!

For the children moving on to Kindergarten... we will miss seeing you and hope you will come back and visit often. You are going to have so much fun next year in Kindergarten! Besides preschool (and Disneyland, of course), it's one of the happiest places on earth!

For the children taking a summer break and returning in August...we will be so excited to see you in the fall. We know you will have a great summer with your families. We can't wait to see how much you've grown when you come back in August ready learn and play.

And for those that will be staying with us through the summer...we are so happy you'll be here! Our summer program is so much fun and we love that we get to see you all summer long! We have some really fun weeks planned and we will have lots of water days, too! We can't wait to share our summer with you.

Thank you for allowing us to be a part of your life during these precious early years. Just as the Bible says in Psalm 127:3, Children are a blessing from God! Treasure every moment with them and take time every day to play and pray.

Blessings,

Miss Debbie
Director

**Surprise Goodbye to
Mr. & Mrs. Verner
Wednesday, May 23rd at 8:10am
In the Sanctuary**

Mr. & Mrs. Verner have been serving our school for a combined total of 22 years! Mr. Verner served as a teacher, our science lab guy, and elementary principal. Mrs. Verner has served at Calvary as a teacher and for many years as the elementary vice principal. They are retiring this year and heading into the mission field. They would like to travel to new lands to reach the lost for the Lord and work alongside other missionaries. The school is surprising them with a special assembly in the sanctuary on Wednesday, May 23rd, beginning at 8:10am. Feel free to join in the celebration and thank the Verners for their many years of dedication and service at Calvary. We will be accepting donations of spare change to start a "Mission Fund" jar for this next season of the Verners' ministry.
