CMCS EVENTS

Highlights

Godspell

Congratulations to the incredibly talented cast and directors of Godspell. Audiences from all six shows raved about the production saying that it captured every emotion and most importantly brought glory to the Lord.

Java and Jazz

Java n' Jazz' is an outdoor, coffee-house style fundraising event featuring our school's beginning and advanced jazz bands playing music from every corner of the jazz spectrum. Come on out, have a cup of coffee, grab a pastry from our concessions table, and participate in our student-assembled raffle as you are treated to the musical stylings of Charles Mingus, Bob Crosby, and many more! The event will feature guest performances from the Old Town Rascals barbershop quartet and local jazz artist Jason Burce of 'Midnight Snack'. Fun for all ages! All proceeds go to the CMCS Band Dept. and will help upgrade their performance equipment and rehearsal space. Don't miss out!

GO Union Rescue Mission

April 26th-27th we will be going to Los Angeles and working with Union Rescue Mission. Join us for the weekend as we serve alongside them as they serve the homeless population in LA. The total fee for the trip is \$50 which will cover housing, transportation, and food for the two days. Come to the informational meeting April 3rd at 12:15 in room 211 for further details or feel free to contact Kyla Vela kvela@cmcsweb.com.

Testing

Terra Nova Testing

Annual Terra Nova testing is coming up on April 17th and 18th. Students will not be attending their regular classes on these 2 days but will instead have a modified schedule. These tests are important because they not only evaluate each student's academic performance, but they also provide our school valuable data for instruction improvements. As the testing dates get closer, remind your students to eat a good breakfast, get plenty of sleep, and come prepared to do their very best!

AP Exams

AP exams are next month! AP students, you should be reviewing your courses and getting prepared for your exams. To learn more about exam dates, what to expect on exam day, and answer practice questions, visit <https://apstudent.collegeboard.org/takingtheexam>.

Graduation Requirements

Graduation is less than two months away! Please make sure you have all graduation requirements fulfilled. That means you have passed all classes necessary for graduation, and you have completed 50 hours of community service. If you are uncertain about grad requirements, please talk to Miss Chesney.

College Decisions

We'd love to hear from you when you receive your college acceptance letters, scholarship offers, and when you commit to a school. Please keep the Guidance Office updated so we can celebrate with you!

Class Reminders

8th Grade

Eighth graders, you are so close to moving up to high school! Even though junior high is coming to a close, it's important to maintain your good grades. Per our student handbook, "in order for an 8th grade student to be promoted into high school, they must not have received more than one 'F' in a core/academic class during each semester." If you have any questions or concerns regarding the promotion policy, please contact Miss Chesney.

11th Grade

Juniors, the Guidance Office strongly suggests you take the SAT or ACT exam at least once before senior year. The initial deadline for the May SAT is on April 5th. To register for the SAT, visit collegeboard.org.

Maintaining GPA

It is important to maintain at least a 2.3 GPA by the end of the semester to remain eligible for all co-curricular activities. If you are concerned about your grades, remember to speak to your teachers and the Guidance Office for extra help.

Upcoming SAT dates

5/4 • 6/1

Upcoming ACT dates

6/8 • 7/13
