SPIRITUAL EMPHASIS CORNER

April 29th was our last Square One for the school year. Alex McClellan from Josh McDowell Ministries spoke about how the Bible helps us make the most sense of the world, others, and ourselves. The world is broken and confusing, but Christians have the Bible to guide and help us solve big questions such as:

How do you get something from nothing?

How do you get life from non-life?

How do you get mind from matter?

Thank you for allowing us to partner with you as we minister to your children.

PTF School Update

Dear Parents,

It's the final countdown! Staff appreciation lunch went great! They loved the baked potato bar! The staff is so grateful and sends their heartfelt thanks the PTF for blessing them with lunch.

We have one more thing to do before summer! We will be congratulating our students after their last final, on Friday, May 24th. They get out that day at 10:55 am, so we will gather at 10:30 am to hand out treats to them.

Thanks for an amazing year! Praise the Lord for using us to serve and encourage others!
