SPIRITUAL EMPHASIS CORNER

See You at the Pole

On Wednesday, September 25th, Calvary students and staff joined millions of other students across the globe as we met at the flagpole during Koinonia to worship God and pray for our families, friends, school, nation, missionaries, and fellow believers around the world. What an amazing privilege it is to have the freedom to pray and worship in public; it is a great reminder for us to be lifting up in prayer our brothers and sisters across the globe who face persecution every day, simply because they follow Christ.

We would love to have you at our Square One Chapels during the month of October. We meet in Modular Room 228:

10/7/19 – Armory 10/21/19 – SQ1
10/15/19 – SQ1 10/28/19 – SQ1

San Diego Rescue Mission Outreach

On September 21st, 13 members of the Calvary family gave their Saturday to serve the San Diego Rescue Mission and its clients. If that isn't inspiring enough, 6 of them were Jr. high students who decided that instead of sleeping in and staying home, they were going to do something to help those in need. These students and some of their parents made nearly 200 peanut butter and jelly sandwiches, half a dozen no-sew blankets, and prepped several boxes of hygiene packs. Near the end of their time in San Diego, they took to the streets to hand out some of the hygiene packs they made. At the end of their time serving, both parents and students shared their desire to return to the San Diego Rescue Mission. They experienced the reality that serving the Lord and His people can, and should be, a joyful and enlightening experience. Debbie, the Volunteer Engagement Coordinator who spent the day with the team, voiced her desire to have them come back again. We couldn't be prouder of our team, and we can't wait to see what the Lord is going to do in the outreaches to come!

End of the Grading Period

The end of the 9-week grading period for semester 1 is almost upon us! It's hard to believe how quickly this semester is flying by. Just a reminder, any student whose GPA falls below 2.0 at the 9-week grading period will be placed on academic probation. The student will not be allowed to participate in co-curricular activities during the following grading period. This current 9-week grading period ends on October 11th. It is important that all students turn in any missing or absent work before the quarter ends so that they receive as much credit as possible.

Parent-Teacher Conferences

Mark your calendars! Parent-Teacher conferences will be held October 17th & 18th. More information for how to schedule a meeting with your students' teachers is coming soon.
