"EQUIPPING FOR TODAY AND FOR TOMORROW"

CMCS EVENTS

Highlights

Spirit Week- Spirit Week is the first week of December, the 2nd-6th! Here are the Spirit Days: Monday – PJ Day • Tuesday – Koinonia Colors • Wednesday – Ugly Sweater Thursday – Christmas Duos • Friday – Christmas Colors (7th-Green, 8th-Red)

Jr. High ASB Christmas Party- On Friday, December 6th, from 6-8 pm, we will be hosting our annual Jr. High Winter Party. The party will be in the Jr. High Room and the cost will be \$5 per student. We will have Nerf Blasters, music, games, food, and fun. Please note, this is the Friday that we return from Thanksgiving break, so we wanted to let you have ample time to plan out and put it on your calendar. If you have any questions or would like to sign up your student, please contact Mr. Singh at ssingh@cmcsweb.com.

Christmas Concert- Warrior Performing Arts will be hosting its annual Christmas Concert in the Sanctuary on Dec. 12th at 6:30 pm. Come ring in the season with exciting performances from the combined Beginning and Cadet Bands, Junior High Instrumental Ensemble, instrumental solos from our Junior High students, and the Elementary Choir! Admission is free so bring your family, invite your friends, and come celebrate with us as we sing and play about the birth of Jesus!

Outreach- On Saturday, November 16th, a group of Jr. High students and parents served on the Outreach team to the Lake Elsinore Dream Center. While there, the team learned about the history of the LEDC and the organization's involvement in the community. They also split up into small groups that went throughout the city to help in all kinds of different ways: some passed out food to residents living in low-income housing, some went to a park to play basketball and pick up trash, one group helped a Lake Elsinore woman move, and others picked up trash on local hiking trails. What a wonderful opportunity it was for Calvary to love on our community!

End-of-Semester Reminders- The end of the semester is quickly approaching! Finals for Jr. High are on December 17th and 18th. It's a good idea to start reviewing now. It's important that students maintain at least a 2.0 GPA to remain eligible for all sports and co-curricular activities. If students need any extra help, teachers are available after school for tutoring Monday-Thursday until 3:30 pm. First semester report cards will be available to view on FACTS by Monday, December 23rd. Keep up the great work, Warriors!

Praying the Lord blesses you and your families this Christmas!

SPIRITUAL EMPHASIS CORNER

This quarter's Spiritual Emphasis Day is all about **CHRISTMAS!** Students will get to hear a performance from our JH Band, messages from Justin and Lindsay Fuller, and awesome worship from Calvary alumni Adam Schwab. They also can choose which of the Christmas-themed workshops they'd like to attend, participate in a white-elephant gift exchange, and go Christmas caroling in the elementary classrooms. It's sure to be a merry day!
