## Junior High Warrior Weekly

# April 24th 2020

### HIGHLIGHTS

*Romans 12:10 - Love one another with brotherly affection. Outdo one another in showing honor.*

**Registration** – Don't forget to register your students for the 2020-2021 school year! Registration for next year will remain \$100 until April 30th. Registration will go up to \$150 on May 1st. Registering your student gives us the most accurate numbers for planning our classes next year. We encourage you to take advantage of this discount and register your student this month. You can register your students at this link [HERE](#).

**Birthday Shoutouts** – Happy birthday to Miss Wagner, the most incredible technology teacher out there! To brighten her day, send her a birthday message on Friday, April 24<sup>th</sup>, to [wagner.jl@cmcsweb.com](mailto:wagner.jl@cmcsweb.com).

**Fun Family Activity** – Missing the zoo? Check out live animal cams from the [San Diego Zoo](#) and the [Monterey Bay Aquarium](#)!

**Teacher Highlight** – **Miss Wagner** is our amazing Junior High & Elementary Technology teacher. During this quarantine, she's been learning new skills on Google Classroom and other online programs, staying in touch with friends, 3-D printing, watching movies, reading books, memorizing the book of Philippians, and missing her students! She shares some advice for our students during this time: "RELAX! God has this! Even though things seem very weird, don't even wonder if God has a plan because He does! You might not see it yet, but someday you will. Psalm 121 is not just our technology password, it is a scripture I cling to—and you should, too: especially vs. 6: **'The Lord will watch over your coming and going both now and forevermore.'** I love you, miss you, and hope and pray that I will see you face-to-face soon!"

### SQUARE ONE & SOCIAL MEDIA

**Square One** videos will be added every Friday to the Square One Google Classroom. Don't forget to watch and submit videos and pictures for the games and challenges. Upcoming Square One speakers:

- 4/24** – Shane Academia, Calvary Murrieta Junior High Director
- 5/1** – Miss Chesney
- 5/8** – Aaron Hammarstrom, Rock Church, Danville

**Social Media** – We want to see how you're doing! Share pictures and videos of yourself doing school at home. Share them with us on Instagram [@cmcswarriors](#) or email them to Miss Chesney: [mchesney@cmcsweb.com](mailto:mchesney@cmcsweb.com)

### MISS WAGNER'S TECH TIPS

#### Coding with Swift Playgrounds

Swift Playgrounds is a website—and an IOS and Android App—shared freely by Apple to help you with **coding skills**.

The website says, "Swift Playgrounds is a revolutionary app for iPad and Mac that makes learning Swift interactive and fun. It requires no coding knowledge! Solve puzzles to master the basics using Swift — a powerful programming language created by Apple and used by the pros to build today's most popular apps."

For those of you who enjoy coding, be sure to check this out!
