### HIGHLIGHTS

*Matthew 28:6-8 – “He is not here, for he has risen, as he said. Come, see the place where he lay. Then go quickly and tell his disciples that he has risen from the dead, and behold, he is going before you to Galilee; there you will see him. See, I have told you.”*

**Registration** – Registration for the 2020-2021 school year is still open! Visit our website [HERE](#) to register your student for next year. We look forward to continue partnering with you to educate, equip, and disciple your students!

**Birthday Shoutouts** – Happy birthday to a few of our Junior High friends who celebrated birthdays over Spring Break and this week! Anna (3/18), Cooper (3/18), Madelynn (3/22), Mr. Singh (3/27), Kade (3/31), Mrs. Chaves (4/6), Christian (4/8), and Mrs. Navarro (4/10).

**Fun Family Activity** – Looking for a fun, new activity to play with your family and friends during quarantine? Check out the [House Party App](#). Even if you can't be with each other, you can still connect and play games together.

**Teacher Highlight** – **Mr. Singh** teaches World History 7, US History 8, ASB, and Study Skills. During this quarantine, he's been spending time with his family, perfecting the online education experience for his students, and digging deeper into his prayer life. He shares some advice for our students during this time: “Keep faith, keep working, and keep in touch, both with your teachers and with each other. Communicate with us so we know what you may need academically, but more importantly stay in touch with each other because that's what makes this community special. **God is good, and He is the same regardless of what's going on with us—have faith in Him & in His Son Jesus. All else is just wind and waves.**”
