

Dear Calvary Families,

The NEW school year is right around the corner! We look forward to all that God will do in and through CMCS as we continue to **educate, equip, and disciple** students for a lifelong commitment to loving and serving Christ. A new school year is an exciting time for students, teachers, and parents alike. Being a student at CMCS means taking part in cutting-edge activities, learning new skills, making new friends, building a strong school community, and growing in the Lord.

Registration/re-enrollment Information: As in prior years, re-enrollment will be based on a first-come, first serve basis. Current families will have priority registration February 18th through March 20th. Beginning March 20th, registration will be open to the public for the upcoming 2020-2021 school year. **Current students will not be automatically re-enrolled.** Also, please note that **SEF Fee, Registration Fee and Tuition** are separate charges,

REGISTRATION FEE: The annual Registration Fee of **\$200**, is required for both current and new students. This fee will confirm enrollment for the upcoming school year. Please note, a **\$50** discount will be applied if paid on or prior to Preview Night, March 20th.

Registration Fee Schedule:

- \$100** if paid on or before March 20th (Preview Night)
- \$150** if paid between March 21st and June 30th
- \$200** if paid after June 30th

STUDENT ENRICHMENT FEE (SEF): Student Enrichment Fees are fees collected to support programs which enhance or support the core instructional programs provided through tuition dollars. Generally, they are programs which are provided for the benefit of the entire school or campus, and not specific to any one grade level or class.

\$500 Paid in full for Elementary

We will be offering three payment options in the registration link:

1. Pay in Full

Discounts Offered: We will continue to offer the same SEF discount as last year. Families with multiple students enrolled will receive a discount on their SEF Fee. Keeping this as our only discount will continue to help with our goal of offering the greatest extent of financial assistance possible to those who can demonstrate a need for help.

SEF Fee Discount: When more than one child from a family is enrolled, a family discount will be given for the SEF.

- The full SEF amount of **\$500 (Elementary), \$750 (Junior High)** is charged for the first child.
- The SEF will be reduced by **\$250** for each additional sibling.

TUITION: Tuition will be increasing 3.5 percent for the upcoming 2020/2021 school year, which comes to a \$23.08 per month increase for elementary students and \$25.00 per month increase for junior high students. This is due to a 2.9% general cost of living increase in Riverside County (U.S. Bureau of Labor statistics) as well as the decision to give our teachers a well-deserved salary increase that will help us stay competitive with other Christian schools in our valley. We recognize that, for most families, paying tuition is an investment that requires careful financial planning. For this reason, Calvary Murrieta Christian School is committed to providing a quality Christian education with affordable tuition. Each family's financial situation is unique and as a school CMCS seeks, to the greatest extent possible, to assist qualifying families who provide documentation of their financial need, in affording tuition. **For more details about our financial assistance program, please contact admissions@cmcsweb.com.**
