VIRTUAL BACK TO SCHOOL NIGHT IS HERE!

Elementary: We ask that one guardian/parent from each family attend this important event. The same information will be given during both sessions so choose whichever one works for your family. If you have three children, you will need to choose two of the classes to attend and then reach out to the third teacher. She will be able to connect with you and share whatever info you missed.

One session will be from **6:00-6:30pm** and the other will be **6:45-7:15pm**.

Junior High: We ask that one guardian/parent from each family attend this important event. There you will be able to meet each teacher and hear about their specific class. Teachers will give information for both 7th & 8th grade students at once so that all parents can be informed. If you also have elementary students, we know this will clash with elementary times. You can pick and choose which classes to attend. We ask that you send an email to the classes you were not able to attend and the teacher will inform you of what you missed. Thank you for your flexibility as we make changes that are safe for our staff and families.
